Date : 08.03.2016

Sub: Notice Regarding do away with the performance incentive for supply of higher grades of coal (G5 and above) to FSA consumers

It has been decided to do away with the performance incentive for supply of higher grades of coal (G5 and above) to FSA consumers in respect to power and non-power for pre and post 2009 plants with immediate effect and in 2016-17. The applicable decisions are reproduced hereunder:

Power:

No Performance Incentive will be levied in respect of despatch of coal of G-5 and above grades both for pre and post 2009 TPPs.

Non power:

No Performance Incentive will be levied in respect of despatch of coal of G-5 and above grades both for pre and post 2009 plants.
