Who we are

Coal Consumers' Association of India, an industrial association, comprising of Power and Non-power sectors has been relentlessly working in its mission to promote and protect the interests of the coal consumers across the country since 1945.

Working as a bridge between producers, transporters and consumers, CCAI disseminates views and suggestions on 360 degree issues of coal and raises concerns to the Ministries and Public Bodies. It represents diverse coal consuming sectors including Power, Steel, Cement, Aluminum, Paper, Chemicals etc.

CCAI actively participates in formulation of relevant Government policies and organises events on latest regulations, technologies and policy changes in this field.

Apart from circulating daily developments and weekly statistics on energy and fuel at domestic and global fronts, the Association also publishes a monthly journal since 1971.

CCAI Mission

- To promote and protect the interest of coal consumers in India
- To serve as a link between producers, transporters and consumers of coal
- To raise concerns on 360 degree issues of coal to Ministries and Public Bodies
- To participate in all discourses related to formulation, modification and implementation of government policies on coal
- To circulate statistics and other fuel related information amongst members/non-members

CCAI Connects

- Ministry of Coal, Railways, Power, Steel and DIPP
- Coal India Limited and its Subsidiary Companies
- Coal Controller
- Railway Board, Zonal Railways and EDM Office
- Electronic and Print Media

CCAI Service

- Taking up coal concerns of constituent members with appropriate forums and authorities
- Organising seminars, symposia, workshops to raise awareness about government notifications, policy changes and relevant topics
- Holding interactive meetings with concerned Ministries, CIL & Subsidiaries, Railway officials to resolve persisting bottlenecks in coal procurement, transportation, pricing etc.
- Providing consultations on technical and commercial segments by a pool of empanelled professionals
- Circulating daily, weekly updates and statistics on fuel. Publishing monthly journal with coal, power sector data & news in local and global fronts
