No.TC-I/2014/108/4

New Delhi, Dt. 26-9-2018

Principal Chief Commercial Manager
Principal Chief Operations Manager
All Zonal Railways

Sub: Guidelines for installation and maintenance of electronic in-motion weighbridge(EIMWB) by private parties

Ref: Rates Master Circular/Provision of Weighbridge/2014/0

Audit has observed that regular testing and calibration of private weighbridges installed at private sidings are not being done over certain zonal railways:

As per extant guidelines, the party shall ensure satisfactory and accurate working of the weighbridges and shall get the weighbridge certified by the Weight & Measures Department of the State Govt. The party shall comply with all statutory and legal provision for operation of weighbridge. The weighbridge should be periodically cross checked by joint team of officers.

Further, the guidelines regarding testing and calibration of private weighbridges have also been issued by Mechanical Dte. of Railway Board from time to time.

Board desires that Zonal Railways shall ensure the compliance of above-mentioned guidelines to be adhered to by the owner of private weighbridges. Functioning of private weighbridge shall be monitored at the Apex level.
