											3.619	3619000	

Note

(i)Cost Plus sources:
 1.The modalities of indexation of WCL cost plus sources is enclosed.
 2.The price has been calculated based on available cost plus price with 20% add-on, which shall be subject to half yearly indexation.The notified price indicated above in table for Gouri Deep OC is for the period Oct'22- Mar'23 & Kolarpimpri OC is for the period July'22 to Dec'22
 3. In case of conversion from Rail to Road mode, beneficiation charges (Rs. 90/ton) shall be added to the price
 4. In case of Supply of coal from Secondary source price per GCV at mid point of Primary source grade shall remain same for Secondary source price at the mid point GCV of the secondary source.
 (ii)WCL- As per existing practise in WCL, a beneficiation Charges of Rs. 90/te has been subsumed in the Floor Price in all above sources offered by Road Mode. For mine specific sources, specific price notification of WCL is applicable.
 (iii) BCCL-For calculation purpose equivalent non coking grade is given
 (iv)All offer- Size of coal may vary as per availability
